

# WILD CHICKEN UNIVERSITY

A DAISY LEAGUE UNIVERSITY

Thank you for your interest in the Wild Chicken Department at the Wild Chicken University, and for your application to our master program. We received over 114514 applications and the department could only recommend 89 of admission. We are writing to thank you for allowing us to review your work and to inform you that, unfortunately, we are unable to offer you a position in or incoming master class.

The admissions process attracted many compelling applications, including yours, making the final decisions very difficult. In the end, we based our decision on the program fit and it is not a reflection of and perceived weaknesses on the part of any applicants.

We appreciate your interest and your understanding, and wish you the best in your future academic endeavors.

Sincerely,

*Harland Sanders*
